- Installation Guide and Cutting Template

Fitting Options:

- Fits wooden doors
- Fits windows & glass doors, single & double glazed
- Fits brick walls
- Fits PVC / UPVC & Metal doors

Suitable for cats up to 7 kg.

How It Works:

Your Petporte smart flap® Microchip Cat Flap has been designed to allow your animals easy access to the outside world whilst keeping other troublesome cats out of your house. The Petporte smart flap® cat flaps do not require your animals to wear collars or accessories.

The Petporte smart flap® Microchip Cat Flap reads the unique identification number stored on your cat's microchip that your vet has implanted in your animal.
